# HOW TO VIEW YOUR SNAP NET METER USAGE
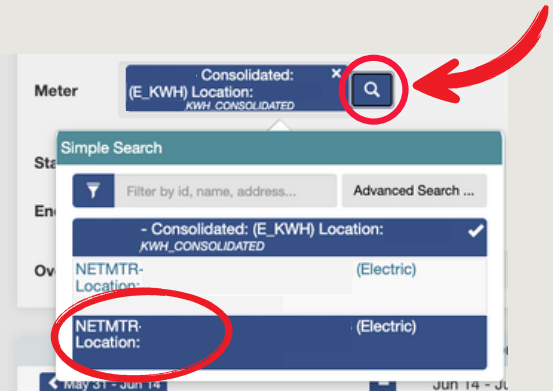

STEP 1 - LOGIN TO MY POWER

Login into My Power at www.gvebill.com/ebpp. On the left hand side of your screen, under 'Reports' click 'Meter Usage Chart'.
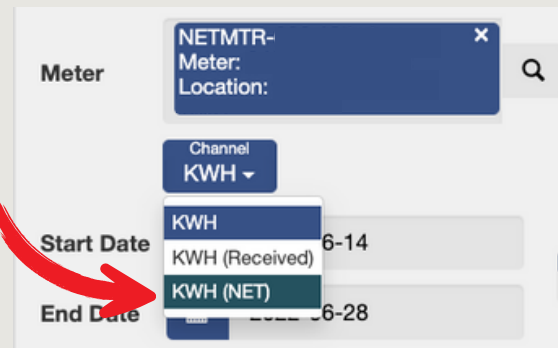

STEP 2 - SELECT METER

Click on the magnifying glass icon and use the drop down menu to select your *NEW Net Meter*.

STEP 3 - SELECT CHANNEL

Using the 'Channel' drop down menu, select the KWH (NET) Channel.

STEP 4 - VIEW NET USAGE

View your net usage by time period (billing period, day and hourly).
